# HISTORY OF THE TAMWORTH 4WD CLUB

Tamworth Recreational 4WD Club was formed in 1976 by local Four Wheel Drive owners. It is a family orientated club and caters for family participation in recreational four wheel drive touring and camping trips into bushland areas of the great natural beauty and attraction. Club trips can be one day or weekend drives into the state forests and national parks of the local area. Trips of longer duration to various parts of Australia (eg Simpson Desert, Fraser Island, Cape York, Kakadu just for ideas) are planned annually and in advanced. The choice of trip you take is entirely yours, from easy scenic trips to beautiful areas of near inaccessible terrain. Other clubs activities include social outings, bush camping, bush walking, fishing, driver training days, Xmas in July, demonstrations and inter club activities.

## THE CLUB'S OBJECTIVES

- To promote safety, friendship and courtesy, both ON and OFF the road, through training, community activities, club and family touring and camping activities
- To promote and encourage family social activities and organise club tours
- To conduct meetings and classes whereby members may obtain knowledge enabling them to become proficient in handling, navigation, care and maintenance of their vehicle
- And in particular to encourage and foster the activity of recreational four wheel driving and endeavor to establish same in the eyes of various Government Departments etc (in particular the National Parks and Wildlife Service, State Forest of N.S.W) as a recognised and responsible family past time.
- To actively encourage the conservation of Australia's natural environment

# Trip Leader Responsibilities

- The trip leader is responsible for ensuring that the trip is conducted in a safe and responsible manner.
- All members who reserve a place in your trip should be recorded, their phone number and an emergency contact number taken. This will allow you to advise them if the conditions change or to contact Family in the event of an emergency.
- A reconnaissance trip and good maps and/or knowledge of the area are required to conduct a safe trip.
- Any permission for access needs to be obtained beforehand.
- It is your responsibility to decide if the weather conditions have altered the trip grading, as you may need to advise the participants before the trip.
- At the start point, introduce yourself, check-in all participants, collect the donation for Westpac Helicopter, check the correct equipment if necessary, and explain the nature details of the trip to all. Assign a main backup UHF channel at this point.
- Ask two older members to act as control vehicles. A "Rear Marker" and "Centre Marker" are usually best to help guide the convoy safely.
- Proceed at a legal pace that suits all participants, and keep in touch with your designated control vehicles to judge the convoy's progress.
- It is your responsibility to assess the track conditions, and guide the group throughout the trip to ensure a safe and enjoyable outing.
- At the conclusion of the trip, check-off all participants and retrieve any loan equipment if necessary.
- Take donation money to next meeting and hand to treasurer.
